ROLL&COMB 141 W-V19 (59-0006)

With the same features as Roll & Comb 141E-V19 and with the advantage of not relying on a cable for use. Designed to maintain artificial grass, it helps clean moss, leaves, pine needles and other debris from the lawn while combing and lifting the bristles. Its low weight and its design with adjustable handlebar facilitate the use and the correct working position. Easy to transport and store. Ideal for artificial grass surfaces of up to 75m².
