

 **easyturf**®

SINCE 2007

Innovative solutions for your Outdoor living spaces and Sports surfaces

Imagine your ideal landscape or sports surface and let us make it a reality.

Our Services

✔ LANDSCAPE DESIGN

This involves designing outdoor spaces by selecting and arranging plants, trees, hardscapes, and other elements to create an attractive and functional outdoor environment.

✔ PLANTING AND IRRIGATION

This involves selecting and planting flowers, shrubs, and other plants to enhance the beauty of the landscape as well as installing an automatic irrigation system.

✔ HARDSCAPING

This includes the installation of patios, walkways, retaining walls, and other structural elements to enhance the function and aesthetics of outdoor spaces.

✔ ARTIFICIAL GRASS FOR LANDSCAPING

Cyprus #1 artificial grass suppliers and installers since 2007

✔ ARTIFICIAL GRASS FOR SPORTS

We represent the worlds top artificial grass brands for football, tennis, padel and golf surfaces. Our solutions for football and tennis/padel are FIFA and ITF approved and our putting greens are top notch when it comes to performance with a stimp value between 10 and 12.

✔ ARTIFICIAL GREEN WALLS

Ultrarealistic green wall panels and vines are an outstanding way of styling up any space, making it feel more natural and attractive. They require no maintenance, compared to real plants, which makes them very cost-effective high impact design solution for homes, offices, shops, bards, clubs, hotels, cafes and restaurants.

✔ EPOXY PEBBLE FLOORS

Our epoxy natural pebble stone floors transform ordinary surfaces into luxurious masterpieces with customizable patterns and designs. Our high-quality products are designed to last, and our team of qualified installers are second to none. We offer attractive and long-lasting surfacing options for your home or business.

About us

We are a leading provider of innovative and high-quality landscaping services for residential and commercial properties. With years of experience in the industry, we take pride in our ability to transform ordinary outdoor spaces into extraordinary ones that are beautiful but also functional and sustainable. Our work should not only enhance the beauty of your property but also contribute to the health and well-being of the environment.

Did you know?

A beautiful landscape presents a calmer, fresher, healthier home atmosphere. Besides that, a good garden can also leverage the value of a property.

6

Reasons why a beautiful landscape matters

1 Curb appeal

A beautifully landscaped yard can greatly improve your property's curb appeal and make it stand out in the neighborhood.

2 Increased value

Professional landscaping can add value to your property, making it more attractive to potential buyers.

3 Relaxation and enjoyment

A well-designed outdoor space can provide a peaceful retreat for relaxation and enjoyment, whether entertaining guests or simply unwinding after a long day.

4 Improved health and well-being

Landscaping can improve air quality and promote a healthy environment, which can positively impact your overall health and well-being.

5 Reduced maintenance

A beautifully landscaped yard can greatly improve your property's curb appeal and make it stand out in the neighborhood.

6 Personalized design

With professional landscaping services, you can create a customized design that reflects your style and preferences, making your outdoor space unique.

AVALON GRASS BV HOLLAND

Avalon Grass has an innovative role within the artificial grass industry, following developments closely and making products that not only tie in with existing trends, but also create new trends in the market. Avalon produces the artificial grasses in their own factory in the Netherlands using only the finest material and yarn products with the best quality.

OUR EXCLUSIVE BRANDS

From park to sports ground, from lawn to roundabout, from balcony to playground. The applications of artificial grass are virtually endless. As a world class artificial grass manufacturer, Avalon Grass puts 30 years of expertise, creativity, reliable service and passion into delivering the best product every time. Avalon Grass develops and produces high-quality artificial grass products using only the finest material and yarns. They produce not just the highest-quality landscaping artificial grass products with the most natural look, but also (multi-)sports and playground artificial grass with the best performance. Avalon Grass is the all-round producer of artificial grass for Lawns & Landscapes, Multisports, Golf, Avalon Petgrass, Avalon Urban Hybrid and Avalon Ecogress.

Edel Grass are a FIFA Preferred Provider and FIH and World Rugby preferred turf producer and supply over 150 tested and certified systems. Full size Edel Grass fields are found in over 100 countries worldwide and used by many clubs, amongst which are the most appealing 1st league clubs.

So if you have a project in mind let us know. By involving us in your activities in an early stage, we are able to share our knowledge with you and help you approach your project the right way. We strive to be your partner, to support you in successfully building your projects.
